HOME TESTIMONY.

HARTFORD, Trumbull Co., O., March 7. '57.

I hereby certify that I have been dealing in the Graff mberg Medicines for the past year, and can truly say that I have never offered any medicines to the proble that have met with the more decided approhistion of the people than these, particularly the Phils and Catholicon. They will readily perform all and more than is promised for them. I have sold about fifty bottles of the Catholicor the past season, and I hear the best results in every case.

J. H. C. JOHNSON, Med Act's.

Read what Dr. Bushnell says of the Graffenberg Medicities. Dr. B. is a physician of extensive practice, and one of the most successful in the county (Trumbuil) in which he resides:

This certifies that I quye used the Graffenberge Pills and Marshall's Catholicon, sold here by J. H. C. Johnson, in my practice, to my entire satisfaction. They are gread medicines.

DR. G. W. BUSHNELL.

Hartford Trumbull Co., Earch 7, 157.

I am a physician of thirty years' practice. My principal study has been disease of femules. They have generally befiled my best efforts. Obtaining the materials composing Marshall's Uterine Catholicon. I was pleased with them; gave them a fair trial, and found myself abundantly successful. In my former practice I could only miligate the symptoms of about half the cases, and could not cure one in ten. Now I can radically cure at least accordion in twenty and mitigate the rest. I consider Marshall's Uterine Catholicon the greatest blessing to females I have met with.

Mr. H. B. Kungsley, Sir:—I have been sellins the Medicines of the Graffenierg Company for the last ten years, and have invariably found them to give good satisfaction; and the Fills I have sold to agreat many families as regularly as their ten and coffee, and with my trade they have become a stable article. Marshall's Uterine Catholicon is a medicine that has done a great amount of good in female diseases. One lady I sold it to laid me that she had repelved more benefit from one hollle than she did from a long course of medical treatment by the most skillful physiciaus.

Yours truly,

BERG MARSHALL'S UTERINE CATHOLICON.

In this connection Miss Bercher, sister of the Rev.
Henry Ward Bescher, in letters to the people, page 220, says: "I have nine sisters and sisters in law, and fourteen ismale c-usins, all married, and all delicate and alling. Amid the immense circle of my friends and asquadintances I cannot recall ten married lailes, born in
his content would conniry, who are perfectly healthy." In
cases, however, where the Graffenberg Catheticon have
been used, we is ust say that health has rapidly taken the
place of disease, and laidies have become robust, strong,
vigorous and healthy.

Mrs. Glesson, of Elmira, says: "Reautiful indeed is
the confiding, trusting nature of woman, but how much
does it meet to be protected by a watchfulness that will
lead her, in rime of disease to apuest to a me itenl advisor
of scientific edication, moral worth ned purity of character." All these may be seen ad by addressing the Graffauberg Company.

It give me great plessure to certify to the lovariable
cura ive antion of the Graffauterg Marshall's Uterine
Catholicon in all cases of f male disease, and to the skill
and high moral character of the Medical department of
the Graffenberg Company. J. B. LAMBET, M. D.
